Skadden, Arps, Slate, Meagher & Flom LLP (“**Skadden**”), counsel to the debtors and debtors-in-possession in the above-captioned case (collectively, the “**Debtors**”), submits this fourth interim application (this “**Application**”) requesting allowance and approval of compensation for professional services rendered to the Debtors and reimbursement of actual and necessary expenses incurred in connection with such services on an interim basis, for the period from October 1, 2020 through and including January 31, 2021 (the “**Application Period**”). In support of this Application, Skadden submits the declaration of Anthony W. Clark, a partner at Skadden (the “**Clark Declaration**”), which is attached hereto as **Exhibit A** and incorporated by reference. In further support of this Application, Skadden represents as follows:

#### **JURISDICTION**

1. This Court has jurisdiction to consider the Application pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference M-431*, dated January 31, 2012 (Preska, C.J.). These are core proceedings under 28 U.S.C. § 157(b). Venue of these cases and this Application in this district is proper under 28 U.S.C. §§ 1408 and 1409.

2. The legal predicates for the relief requested herein are sections 330 and 331 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and Rule 2016-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York (the “**Local Bankruptcy Rules**”), the Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York (June 17, 2013) promulgated pursuant to Local Bankruptcy Rule 2016-1(a) (the “**Local Guidelines**”), and the United States Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11

U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases, effective as of November 1, 2013 (the “**U.S. Trustee Guidelines**,” and together with the Local Guidelines, the “**Fee Guidelines**”).

### **BACKGROUND**

3. On September 15, 2019 (the “**Petition Date**”), the Debtors each commenced with this Court a voluntary case under Chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Debtors’ Chapter 11 cases. On September 27, 2019, the Office of the United States Trustee for the Southern District of New York (the “**U.S. Trustee**”) appointed an official committee of unsecured creditors (the “**Creditors’ Committee**”).

4. The Debtors’ Chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Bankruptcy Rules. Purdue Pharma L.P. (“**PPLP**”) and its direct and indirect subsidiaries other than the Rhodes Debtors (defined below) (the “**Purdue Debtors**”) primarily operate a branded pharmaceuticals business, while Debtor Rhodes Associates L.P. and its direct and indirect subsidiaries (the “**Rhodes Debtors**”) primarily develop and distribute generic pharmaceutical products and manufacture a range of active pharmaceutical ingredients.

5. As set forth in the Debtors’ Informational Brief [Docket No. 17], PPLP has been responding to subpoenas and civil investigative demands issued by various components of the United States Department of Justice (the “**DOJ**”) in connection with criminal and civil investigations of PPLP. Over the course of the investigations, PPLP engaged in discussions with DOJ regarding a potential resolution. On October 21, 2020, the Department of Justice announced a global resolution of these investigations into PPLP.

6. Additional information about the Debtors' businesses and the events leading up to the Petition Date can be found in the Debtors' Informational Brief.

### **THE DEBTORS' RETENTION OF SKADDEN**

7. On November 6, 2019, the Debtors applied to this Court for an order authorizing the retention of Skadden as special counsel, effective *nunc pro tunc* to the Petition Date [Docket No. 438] (the "**Initial Skadden Retention Application**"). On November 25, 2019, the Court approved the Initial Skadden Retention Application [Docket No. 545] (the "**Initial Retention Order**"). In addition, Skadden applied to this Court for an order authorizing the Debtors to supplement the retention and employment of Skadden as special counsel, *nunc pro tunc* to March 6, 2020 [Docket No. 1370] (the "**Supplemental Retention Application**," and together with the Initial Skadden Retention Application, the "**Skadden Retention Applications**"). On July 27, 2020, the Court approved the Supplemental Retention Application [Docket No. 1521] (the "**Supplemental Retention Order**," and together with the Initial Retention Order, the "**Retention Orders**").

8. The Retention Orders authorize the Debtors to compensate Skadden at its standard hourly rates subject to certain discounts and reimburse Skadden for its actual and necessary out-of-pocket expenses incurred, in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Local Bankruptcy Rules.<sup>11</sup>

9. The Retention Orders also authorize Skadden to provide the following services ("**Services**"):

---

<sup>11</sup> Skadden and the Debtors have agreed to certain rate increases effective January 1, 2021, subject to certain discounts described in the *Notice Of Increase In Hourly Rates Of Skadden Professionals* [Docket No. 2527] (the "Rate Increase Notice").

- (a) governmental investigation matters, including the ongoing criminal and civil investigations being coordinated through various components of the DOJ and other federal agencies, as well as related settlement negotiations and proceedings;
- (b) to represent PPLP and certain of its subsidiaries in connection with state governmental investigation matters, including the ongoing criminal and civil investigations being coordinated through offices of various states attorney general and other state agencies, as well as related negotiations and proceedings;
- (c) to represent PPLP and certain subsidiaries in connection with pending civil litigation as well as litigation that may arise after the date hereof, including the Texas Litigation and other Litigation Matters, as well as related negotiations and proceedings;
- (d) to represent PPLP and certain subsidiaries in the Advice Matters, including providing ongoing regulatory and compliance advice;

- (f) to provide services in connection with advising the Debtors regarding a potential transaction, as well as certain corporate and regulatory matters, including advice relating to the following matters: structuring the potential transaction; assisting with organizing due diligence and responding to inquiries from potential transaction counterparties; drafting and negotiating definitive documentation; and preparing for and assisting the Debtors in consummating the potential transaction, with advice covering, inter alia, corporate, regulatory, intellectual property, tax, environmental, and real estate matters.

10. Other than between Skadden and its affiliated law practices and their members, no agreement or understanding exists between Skadden and any other person or persons for the sharing of compensation received or to be received for professional services rendered in or in connection with these cases, nor will any be made except as permitted pursuant to Bankruptcy Code section 504(b)(1).

#### **FEE PROCEDURES AND MONTHLY FEE STATEMENTS**

11. Pursuant to the interim compensation procedures (the “**Interim Compensation Procedures**”) set forth in the amended interim compensation order [Docket No. 529] professionals who seek compensation must file monthly fee statements. Parties in interest are

provided 14 days to object to such statements. Absent a timely objection, the Debtors are authorized to pay 80% of the fees requested (with the remaining 20% of the fees requested referred to herein as the “**Holdback**”) and 100% of the charges and disbursements requested.

12. In accordance with the Interim Compensation Procedures, Skadden seeks interim approval of the full amount of the fees and expenses requested in the monthly fee statements filed for the months of October, November, and December of 2020, and January of 2021,<sup>12</sup> and authorization for the Debtors to pay the amounts requested herein in full.<sup>13</sup>

### **RELIEF REQUESTED**

13. By this Application, Skadden seeks interim approval of \$5,202,579.37 in fees calculated at the applicable guideline hourly billing rates as compensation for professional services rendered<sup>14</sup> and reimbursement of \$2,436.48 as actual and necessary expenses incurred during the Application Period.<sup>15</sup>

14. In accordance with the Interim Compensation Procedures, Skadden submitted monthly fee statements for each of the months covered by the Application Period. Skadden is now requesting payment of an aggregate Holdback amount of \$1,040,526.51 for the Application Period.

---

<sup>12</sup> This Application reflects an additional \$380.00 voluntary reduction that is not reflected in the monthly fee statements for the Application Period.

<sup>13</sup> The Debtors have been provided with an opportunity to review all amounts requested in the Application and have approved the amounts requested herein.

<sup>14</sup> As set forth on the detailed schedules at the front of this Application, this amount corresponds to 5,747.30 hours Skadden devoted to representation of the Debtors during the Application Period: 2,159.20 hours by partners, 267.70 hours by counsel, 2,647.40 hours by associates, 252.00 hours by staff attorneys, and 421.00 hours by paraprofessionals. Skadden’s blended hourly rate for the Application Period was \$1,031.40.

<sup>15</sup> The total amount sought for fees and expenses (\$5,205,015.85) reflects voluntary reductions (in addition to the Volume Discount) for the Application Period of \$41,024.50 in fees, a 0.69% reduction and \$24,218.40 in expenses, a 90.86% reduction. Skadden reserves the right to request these amounts.

### **DESCRIPTION OF SERVICES RENDERED**

15. During the Application Period, Skadden provided the Services described above to the Debtors, including advising the Debtors with respect to federal government investigation matters, state governmental investigation matters, pending civil litigation, certain corporate and regulatory matters, a potential transaction, and other discrete matters relating to the pending investigations and civil litigations. Skadden's streamlined case management and staffing structure helped promote cost efficiencies and avoided duplicative or unnecessary work.

16. Similarly, while it is Skadden's standard policy to charge its clients in all areas for certain charges and disbursements incurred in connection with such clients' matters (as disclosed in the Skadden Retention Applications), Skadden attempted to minimize such expenses during these bankruptcy cases.<sup>16</sup>

17. During the Application Period, Skadden utilized 9 different matter numbers or subject-matter categories to which its professionals billed their time, all of which were related to the tasks performed by Skadden on behalf of the Debtors. Skadden kept a contemporaneous record of the time spent rendering services and separated tasks in billing increments of one-tenth of an hour. All of the services performed by Skadden were legal in nature and necessary and appropriate for the effective administration of these Chapter 11 Cases.

### **RETENTION MATTERS**

18. Following below is a narrative summary of the work performed by Skadden during the Application Period in connection with each of the key matters to which Skadden

<sup>16</sup> A chart summarizing such necessary charges and disbursements for the Application Period is included at the front of this Application.

professionals devoted significant time (listed in descending order based on amount of fees sought):

**A. Matter No. 13 – DOJ**  
**Amount Sought: \$4,337,739.50**

19. During the Application Period, Skadden provided legal services to the Debtors in connection with federal governmental investigation matters, including the ongoing criminal and civil investigations being coordinated through various components of the DOJ and other federal agencies. Skadden's efforts during this time period laid the groundwork for an \$8.3 billion global resolution between PPLP and DOJ, which was announced on October 21, 2020 and pursuant to which PPLP entered a guilty plea on November 24, 2020. This global resolution involved novel questions of law and required significant coordination between numerous government agencies, stakeholders in PPLP's ongoing bankruptcy proceeding, and other parties and entities. It also entailed the structuring of a settlement that anticipates PPLP ceasing to operate in its current form, and emerging from bankruptcy as a public benefit company or entity with similar mission.

20. Prior to the October 21, 2020 announcement of the global resolution, Skadden professionals reviewed and analyzed relevant documents, attended conference calls to discuss strategy, and participated in settlement negotiations with DOJ. In addition, Skadden participated in reviewing and analyzing documents to provide such documents to counsel for witnesses in connection with ongoing criminal and civil federal and state investigations, and participated in conference calls with counsel for other parties. Following the entry of the guilty plea, Skadden professionals regularly communicated with DOJ and responded to DOJ's cooperation requests by, among other things, identifying and producing documents in response to requests and investigating fact issues identified by DOJ. Moreover, Skadden professionals reviewed materials

for relevance and to protect any information shielded by privilege. They also participated in numerous internal and external conference calls and meetings to coordinate workstreams, including with co-counsel.

**B. Matter No. 76 – Project Catalyst**  
**Amount Sought: \$995,997.50**

21. During the application period, Skadden professionals provided advice relating to corporate and transactional matters, including with respect to a transaction involving an asset sale to a third party purchaser and the entry into a long-term supply agreement and transition services agreement. Pursuant to the asset purchase agreement, a third party purchaser acquired certain operating assets of an indirect subsidiary of PPLP, including a manufacturing plant, inventory and other assets relating to the subsidiary's active pharmaceutical ingredient (API) manufacturing business. In addition, PPLP and/or its subsidiaries entered into a supply agreement and transition services agreement with such third party purchaser, pursuant to which such third party purchaser will supply APIs to PPLP for a minimum term of seven years and PPLP's indirect subsidiary will provide transition services to such third party purchaser, respectively. The transactions contemplated by the asset purchase agreement closed on December 31, 2020. Time billed to this matter included negotiating and updating the purchase agreement, supply agreement, transition services agreement, and other ancillary documents, assisting with preparation for the business transition, participating in internal and external calls on strategy and providing post-closing transactional support.

**C. Matter No. 76 – Project Chimera**  
**Amount Sought: \$154,628.50**

22. During the application period, Skadden professionals provided advice relating to negotiation of a potential transaction involving a third-party's pharmaceutical product. Time

billed to this matter included negotiating and revising the term sheet and the agreement, conducting due diligence, and participating in internal and external calls on strategy.

**D. Matter No. 73 - Retention / Fee Matters**  
**Amount Sought: \$223,660.50**

23. During the Application Period, in accordance with the Interim Compensation Procedures, Skadden professionals prepared and filed four Monthly Fee Statements [Docket Nos. 1883, 1919, 2117, and 2149]. In addition, during the Application Period, Skadden prepared the Third Interim Fee Application for the period covering June 1, 2020 through October 31, 2020 [Docket No. 1945].

**E. Matter No. 75 – Litigation Issues**  
**Amount Sought: \$80,467.50<sup>17</sup>**

24. During the Application period, Skadden professionals conducted legal research related to various regulatory issues. Time billed to this matter included participating in internal calls to discuss strategy as related to correspondence with government agencies relating to Purdue's ongoing regulatory matters.

**F. Matter No. 63 - Various Texas Actions**  
**Amount Sought: \$54,886.50**

25. Skadden represented PPLP in opioid-related litigation in Texas state and federal courts, brought mainly by state and local governments. During the Application Period, Skadden professionals continued to monitor filings in those cases for potential impact on PPLP.

---

<sup>17</sup> The July 30, 2020 claims bar date resulted in additional issues that Skadden needed to address in connection with the services Skadden was providing in connection with the Discovery/Litigation Matter. This has been explained to the client.

**G. Matter No. 74 – Corporate Advice**  
**Amount Sought: \$6,197.50**

26. During the application period, Skadden professionals provided advice relating to certain corporate and transactional matters, including advising with respect to intellectual property and contract issues. Time billed to this matter included participating in internal calls to discuss strategy, conducting legal research and reviewing materials related to the matter, and corresponding with the client on strategy.

**H. Matter No. 77– Rhodes Companies**  
**Amount Sought: \$48,936.00**

27. During the application period, Skadden professionals provided advice relating to regulatory issues. Time billed to this matter included corresponding with the client to gather information, participating in internal calls to discuss strategy, conducting legal and regulatory research, and drafting correspondence with a regulatory authority.

**I. Matter No. 79 – Healthcare Law Compliance**  
**Amount Sought: \$25,248.00**

28. During the Application Period, Skadden professionals provided regulatory and compliance advice to Purdue. Time billed to this matter included attending internal conference calls to discuss strategy related to correspondence with government agencies, reviewing and analyzing materials relevant to the regulatory issues, and drafting other work product.

**REASONABLENESS OF FEES AND DISBURSEMENTS**

29. Bankruptcy Code section 330 authorizes the Court to award “reasonable compensation for actual, necessary services rendered by the . . . professional person.” 11 U.S.C. § 330. Skadden respectfully submits that its request for an interim award of compensation for the Application Period satisfies that standard.

30. In accordance with the factors enumerated in 11 U.S.C. § 330, the amount requested herein by Skadden is fair and reasonable in light of (a) the nature of the Chapter 11 cases, (b) the time and labor required to effectively represent the Debtors, (c) the nature and extent of the services rendered, (d) Skadden's experience, reputation, and ability, (e) the value of Skadden's services, and (f) the cost of comparable services outside of cases under the Bankruptcy Code.

**A. Nature of the Services Provided During the Chapter 11 Cases**

31. As discussed above, Skadden professionals performed legal work for Debtors and certain of its subsidiaries in connection with government investigations, complex and material litigation matters, and these Chapter 11 cases. Skadden provided Services pertaining to: (a) regulatory and compliance matters, (b) certain civil and criminal investigations initiated by the DOJ, certain other United States agencies, and state attorneys general and state agencies, (c) certain civil litigation, including approximately 51 cases filed in Texas state courts, most of which have been consolidated into a Texas state multi-district litigation; (d) certain corporate and regulatory matters; (e) a certain transactional matters and related issues; and (f) the interplay of these matters in the ongoing Chapter 11 cases. Skadden assigned various attorneys to discrete tasks to avoid the performance of duplicative or unnecessary work.

32. Given the variety of complex issues that arose in the regulatory, investigation, litigation, and transactional matters, including matters that involved a combination of legal disciplines, there were circumstances where a number of Skadden professionals had to be present at, and participate in, discussions, negotiations, and strategy meetings. This level of participation was necessary to ensure coordination within and among the defense team, culminating in the DOJ's announcement of a global resolution with PPLP on October 21, 2020. Skadden believes

that it has, through the summaries contained in this Application and the time entries attached to the Monthly Fee Statements, articulated specific reasons for such participation.

**B. Experience of Skadden**

33. As set forth more fully in the Skadden Retention Applications, Skadden's attorneys' knowledge and experience in the areas in which the Services were provided, as well as the firm's longstanding relationship with the Debtors in connection with the Services, benefited the Debtors' estates in various ways and ensured that matters related to the DOJ investigation, the transaction, as well as the other matters for which the Debtors provide special counsel were addressed properly and promptly.

**C. Comparable Services**

34. Skadden also satisfies the comparable cost requirement, because its rates in these Chapter 11 Cases are consistent with Skadden's standard rates and the material terms for non-bankruptcy matters and terms of other comparably skilled counsel. Moreover, Skadden's rate structure was disclosed clearly in the Skadden Retention Applications, which this Court approved, the First Supplemental Fitzgerald Declaration, and the Rate Increase Notice. The amounts sought by Skadden are consistent with the fees, charges, and disbursements incurred in other chapter 11 cases in other similar non-bankruptcy matters. Accordingly, the cost of comparable services supports the Application and the Services performed during the Application Period warrants the allowance of compensation, particularly given the current joint-investigation now underway, which provides a roadmap to a consensual resolution in these cases.

35. Based on the foregoing, Skadden respectfully submits that approval of the compensation sought herein is warranted and should be approved.

**D. Reservation of Rights**

36. Skadden reserves the right to supplement this Application to seek amounts for work performed or expenses incurred during the Application Period but not yet reflected in Skadden's time records or to amend the amounts listed herein and in the Monthly Fee Statements to correct any bookkeeping errors. Skadden has attempted to include in the Monthly Fee Statements and, by extension, this Application, all time and expenses relating to the Application Period. Delays in processing such time and receiving invoices for certain expenses do occur, however. In the event that a subsequent review reveals that additional professional services have been rendered or expenses have been incurred on behalf of the Debtors during the Application Period which were not processed by Skadden's accounting system before the time of this Application, Skadden reserves the right to seek such additional fees and expenses by subsequent application to the Court. Skadden does not waive, and expressly reserves, its right to respond to any objections regarding this Application and the amounts sought for Skadden's services in these Chapter 11 Cases.

**COMPLIANCE WITH GUIDELINES**

37. Skadden believes that this Application, together with the attachments hereto, substantially complies in all material respects with the Fee Guidelines. To the extent this Application does not comply in every respect with the requirements of such Fee Guidelines, Skadden respectfully requests a waiver for any such technical non-compliance.

**NO PRIOR REQUEST**

38. No previous request for the relief sought herein has been made to this Court or any other court.

### **NOTICE**

39. Notice of this Motion will be given to the following parties: (a) Debtors; (b) counsel to the Debtors; (c) counsel to the Committee; and (d) all parties entitled to notice pursuant to Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York. The Debtors submit that no other or further notice is required.

### **CONCLUSION**

40. WHEREFORE, Skadden respectfully requests that the Court enter an order allowing interim compensation of \$5,202,579.37 to Skadden for professional services rendered as counsel for the Debtors during the Application Period, plus reimbursement of actual and necessary charges and disbursements incurred in the amount of \$2,436.48.

COUNSEL TO THE DEBTORS FOR THE PERIOD FROM  
OCTOBER 1, 2020 THROUGH AND INCLUDING JANUARY 31, 2021**

I, Anthony W. Clark, pursuant to 28 U.S.C. § 1746, hereby declare that the following is true to the best of my knowledge, information, and belief:

1. I am a member of the firm of Skadden, Arps, Slate, Meagher & Flom LLP (“**Skadden**”) which maintains offices for the practice of law at, among other locations, 920 N. King Street, Wilmington, Delaware 19801.
2. I am a practicing member in good standing of the bars of the State of Delaware and the Commonwealth of Pennsylvania.
3. This certification is made in connection with Skadden’s fourth application, dated March 17, 2021 (the “**Application**”),<sup>1</sup> for interim compensation and reimbursement of expenses for the period commencing October 1, 2020, through and including January 31, 2021.
4. I have read the Application and to the best of my knowledge, information, and belief, the statements contained in the Application are true and correct. In addition, after reasonable inquiry, including consultation with Skadden’s bankruptcy professionals, I believe

---

<sup>1</sup> Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Application.

that the Application substantially complies in all material respects with the *Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York* (June 17, 2013) promulgated pursuant to Local Bankruptcy Rule 2016-1(a) (the “**Local Guidelines**”), and the *United States Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases* effective as of November 1, 2013 (the “**U.S. Trustee Guidelines**” and together with the Local Guidelines, the “**Fee Guidelines**”).

5. With respect to section C.5 of the U.S. Trustee Guidelines, I certify the following:

**Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: Yes, we have agreed to provide volume discounts as described in *Notice of Increase In Hourly Rates Of Skadden Professionals* [Docket No. 2527].

**Question:** If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Response: The aggregate fees sought in this application do not exceed the aggregate budget by 10% or more.

**Question:** Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

**Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.). If so, please quantify by hours and fees.

Response: Except as set forth below, the Application does not include any fees dedicated to revising time records or preparing and revising invoices that would not normally be compensable outside of bankruptcy. The Application includes 237.70 hours, totaling \$223,660.50 (prior to application of the Volume Discount), which reflects approximately 3.77% of the total fees (prior to the Volume Discount) billed during the Application Period, for Skadden retention and fee matters, including time spent to (a) ensure that

time entries comply with the Fee Guidelines and do not disclose privileged or confidential information and (b) prepare monthly fee statements, prepare and revise Skadden's budget and staffing plan, and prepare and file the Application. All of these services, including review of and revisions to fee statements and applications, were necessary components of Skadden's fee and retention activities.

**Question:** Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Response: See response above.

**Question:** If the fee application includes any rate increases since retention:

i. Did your client review and approve those rate increases in advance?

Response: Skadden previously disclosed rate increases that were effective as of January 1, 2020 in the *Supplemental Declaration of Patrick Fitzgerald in Support of Application of Debtors to Retain and Employ Skadden* [Docket No. 936]. Subsequent rate increases, effective as of January 1, 2021 were the subject of weeks of arms' length negotiations with the client, were recently resolved and agreed to by the client in March 2021, and are detailed in the *Notice of Increase In Hourly Rates Of Skadden Professionals* [Docket No. 2527].

ii. Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Response: The client did not agree, when retaining the law firm, to accept all future rate increases. All rate increases were the subject of weeks of arms' length discussions. The client was informed that it did not need to agree to modified rates or terms in order to have Skadden continue the representation.

With respect to section B.1 of the Local Guidelines, I certify the following:

- (a) I have read the Application;
- (b) to the best of my knowledge, information, and belief, formed after reasonable inquiry, including consultation with Skadden's bankruptcy professionals, the fees and disbursements sought in the Application are permissible under the relevant rules, court orders, and Bankruptcy Code provisions, and fall within the Local Guidelines;

- (c) except to the extent that fees and disbursements are prohibited by the Local Guidelines, the fees and disbursements sought are billed at rates and in accordance with practices customarily employed by Skadden and generally accepted by Skadden's clients; and
- (d) in providing a reimbursable expense, Skadden does not make a profit on that expense, whether the service is performed by Skadden in-house or through a third party.

6. With respect to section B.2 of the Local Guidelines, I certify that the Debtors have been provided during the Application Period with monthly statements of fees and out-of-pocket expenses, containing lists of professionals and paraprofessionals providing services, their respective billing rates, the work hours expended by each individual, a general description of services rendered, and a reasonably detailed breakdown of out-of-pocket expenses incurred.

7. With respect to section B.3 of the Local Guidelines, I certify that I will cause this Application to be served on the following parties: (a) Debtors; (b) counsel to the Debtors; (c) counsel to the Committee; and (d) all parties entitled to notice pursuant to Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York.

8. In accordance with Bankruptcy Rule 2016(a) and Bankruptcy Code section 504, I certify that no agreement or understanding exists between Skadden and any other entity for the sharing of compensation received or to be received for services rendered in or in connection with the above cases except as authorized pursuant to the Bankruptcy Code, the Bankruptcy Rules, and the Local Bankruptcy Rules. All services for which compensation is sought were professional services on behalf of the Debtors and not on behalf of any other person.

## EXHIBIT B - Rate Disclosures

The blended hourly rate for all U.S.-based Skadden timekeepers (including both professionals and paraprofessionals), excluding all bankruptcy and pro bono engagements and all data from timekeepers practicing primarily in Skadden’s Corporate Restructuring Group,<sup>2</sup> during the twelve-month period beginning on February 1, 2020 and ending on January 31, 2021 (the “**Comparable Period**”) was, in the aggregate, approximately \$912.42 per hour (the “**Non-Bankruptcy Blended Hourly Rate**”).<sup>3</sup>

The blended hourly rate for all Skadden timekeepers who billed to the Debtors during the Application Period was approximately \$1,031.40 per hour (the “**Debtors’ Blended Hourly Rate**”).<sup>4</sup> A detailed comparison of these rates follows:

<b>Position</b>	<b>Debtors’ Blended Hourly Rate (\$)</b>	<b>Non-Bankruptcy Blended Hourly Rate (\$)</b>
Partners/Of Counsel	\$1,432.27	\$1,430.23
Special Counsel/Counsel	\$1,183.70	\$1,092.75
Associate	\$836.39	\$792.91
Client Specialists and Paraprofessionals	\$425.10	\$339.30
All Others	\$496.44	\$365.49
<b>Total</b>	<b>\$1,031.40</b>	<b>\$912.42</b>

<sup>2</sup> For purposes of calculating the Non-Bankruptcy Blended Hourly Rate, Skadden tracks, as bankruptcy engagements, debtor-in-possession (“**DIP**”) clients as well as reorganized and post-DIP clients, and excludes those engagements from the Non-Bankruptcy Blended Hourly Rate along with all time of members of the Corporate Restructuring department.

<sup>3</sup> Skadden calculated the Non-Bankruptcy Blended Hourly Rate by dividing the total dollar amount billed by U.S.-based Skadden timekeepers, excluding all bankruptcy engagements, DIP clients, as well as reorganized and post-DIP clients, and all data from timekeepers of the Corporate Restructuring group (both attorneys and legal assistants), during the Comparable Period by the total number of corresponding hours billed by U.S.-based Skadden timekeepers during the Comparable Period.

<sup>4</sup> Skadden calculates the Debtors’ Blended Hourly Rate by dividing the total dollar amount billed by such timekeepers during the Application Period by the total number of hours billed by such timekeepers during the Application Period. During the Application Period, Skadden voluntarily reduced its fees requested by \$41,024.50 (0.69%) and its expenses requested by \$24,218.40 (90.86%), for a total of \$65,242.90 (1.09%), and its hours billed from a base of 5,810.70 to 5,747.30 (1.09%). Skadden’s Debtor Blended Hourly Rate does not account for Skadden’s voluntary reduction of its fees. The total blended hourly rate for Skadden timekeepers who billed to the Debtors during the Application Period based on the amount billed divided by actual hours worked (including non-billed hours) was \$1,031.40.

The Debtors’ Blended Hourly Rate is the following: for Partners/Of Counsel (\$1,432.27), Special Counsel/Counsel (\$1,183.70), Associates (\$836.39), Client Specialists and Paraprofessionals (\$425.10), and All Others (\$496.44). The Non-Bankruptcy Blended Hourly Rate is the following: for Partners/Of Counsel (\$1,430.23), Special Counsel/Counsel (\$1,092.75), Associates (\$792.91), Client Specialists and Paraprofessionals (\$339.30), and All Others (\$365.49). The differences between the blended rates for these categories of professionals are not indicative of a premium being charged by Skadden for its representation of the Debtors, but rather the result of attending to the complexities involved in the Services and the Chapter 11 Cases that have required the use of more-senior professionals, with correspondingly higher billing rates, than in a typical representation.

**EXHIBIT C-1**  
**Staffing Plan**

**October 1, 2020 through January 31, 2021**
